

CASH TESTER

CP 180

Fast counting of coins
and banknotes thanks to
modern weighing technology.

The **CP 180** allows you to quickly count your banknotes and coins in a reliable way.

Very easy to use: it saves a lot of time in your daily counting and is therefore an indispensable piece of equipment!

This scale can be used for 2 currencies (pre-installed Euro, GBP) and many others are available.

Update possible via micro SD card and this can also be used for data storage of the count.
